Start Your Own AAA Group!

Find out "How to get going" -

One of the purposes of the All Addicts Anonymous outreach programs is to provide the support, literature, and resources for people to start their own AAA groups. In the last few years, groups have started in Oregon, Washington State, Minnesota, and New York.

Interested? Contact the Upstate Group of All Addicts Anonymous at www.alladdictsanonymous.org. Nationwide and worldwide correspondence has continued from addicts of all kinds looking to start their own group and/or get AAA literature.

Some groups even post their own website, like this group in the Portland, Oregon area. Check them out online at www.alladdictsoregon.org.
