The Green Demolitions Story!

Read how it all got started . . .

I hope you find it inspirational because it really happened. Take a few minutes to read it and you'll see why I do Gree Demo. [Click here](#)

Green Demolitions is a self-sustaining donation program recycling luxury kitchens, demolitions, and commercial surplus. Donation proceeds benefit Recovery Unlimited, a 501(c)(3) nonprofit organization. Donation proceeds fund charitable works including: 1) supporting the outreach programs of All Addicts Anonymous (AAA), a highly effective Twelve-Step program adapted for all addicts and all addictions, established in 1964. For more information, visit www.alladdictsanonymous.org, and 2) operating Green Demolitions, a self-sustaining, "entrepreneurial charitable enterprise" generating the income to fund a) the AAA outreach programs, b) the kitchen and estate donation program, and c) the Green Demolitions retail stores in Norwalk, Connecticut; Bethel, New York; and Honesdale, Pennsylvania.
